Christina Robinson
Fidelity National Title
7025 N Scottsdale Rd

To Whom It May Concern:

I have had the opportunity to work with Ms. Robinson for just over 2 months. I can tell you that in that time she has demonstrated the ability to be an effective leader, problem solver, and an influential sales person. In searching for a new title company to use, Christina say there was an opportunity to gain Wachovia's business and took advantage.

Everything that Ms. Robinson has promised has been delivered ten fold. She is an exceptional individual with the drive to be #1. If there are any issues that arise, I know that I can turn to Ms. Robinson to have them resolved.

I am with Fidelity National Title because of Ms. Robinson. She has been a pleasure to work with and I look forward to growing our professional relationship.

Sincerely,

Danielle Foley
Fidelity National Title
7025 N Scottsdale Rd
Scottsdale, AZ 85253

To Whom It May Concern:

I have had the opportunity to work with Ms. Foley for nearly 2 months. She has demonstrated the ability to be an extremely effective Escrow Officer. Ms. Foley stays on top of all of our files, pointing out any issues that may arise at the beginning of the escrow process. She is an effective communicator and does not talk down to myself or my assistant.

I have had the opportunity to work with several Escrow Officers and in the brief time I have been with Fidelity and Danielle, the service and professionalism surpasses all my past title company relationships. Without a great escrow officer like Danielle Foley, I can not be the #1 Sales Manager within Wachovia.

Danielle is an asset to my business and my staff. She is not afraid to go above and beyond that is expected. I look forward to growing my professional business relationship with Danielle and seeing where this business takes us..

Sincerely,

Bobby Ghisolfo
